VISIBLE MINORITIES AND ABORIGINAL PEOPLES IN THE 1920S

Read the page about Visible Minorities on pages 86-87 of your textbook, *Experience History*, and complete the chart below. Make sure you put your responses into your own words.

Community	How were they discriminated against?	What did they do to respond to this discrimination?
Asian communities		
Black communities		
Aboriginal peoples		

Name: _____ Date: _____

Read the section on Residential Schools on page 88 of your textbook, *Experience History*, and complete the chart below. Make sure you put your responses into your own words. You may use point form.

How did the Residential Schools work to assimilate Aboriginal peoples into Canadian society?	What lasting effects have Residential Schools had on Aboriginal communities?

Do you agree with the United Church that people today need to accept responsibility for injustices committed in the past? Is an apology enough, or must more be done? Explain.
